Please tell us why you should be considered to adopt one of our rescues

All our rescues come from puppy mills. We are concerned about finding the right home for the animal. If you have specific criteria as to breed, sex, age or physical traits, this is not the rescue group for you. Freedom Rescue reserves the right to refuse or deny any application. By signing and dating below, you agree that all information listed is complete and truthful. You also authorize Freedom Rescue to verify the information on this Application for Adoption. Any misrepresentation will be grounds to automatically reject the application. Upon receipt of this application, you will be contacted by a FR representative for an in-depth interview. Your references and vet will be contacted. If possible, a home visit will be arranged. Then a decision will be made whether to accept or deny your application. You will be notified either way. Please remember, our organization is dedicated to making sure our rescues are placed in the home best suited for their temperament and future development. Please mail this application along with a \$25 check payable to Cindy Chandler, 451 Waterside Dr., Avon Lake, OH 44012. If approved, this check will be deducted from the adoption fee; if not approved, it will be refunded or destroyed. If approved to adopt, you will be required to complete an Adoption Agreement, a Co-Ownership Agreement if necessary which includes a \$100 refundable deposit for spay/neuter, and travel to where the FR rescue is being fostered (either Cleveland or Detroit). Our adoption fee includes medical expenses such as a well puppy visit, all necessary age-appropriate immunizations, spay/neuter and rabies and heartworm tests as age permits; brucellosis test if breeding age; a microchip is often included.
